Don't forget...

There is always so much to remember when you travel with babies and toddlers. Here's a checklist of those little things that make life easier both on the journey and when you get there:

- Non-messy snacks for the journey
- Small cartons of juice/formula
- Antiseptic wipes
- Nappies, etc. for at least 48 hours (well you never know what might happen!)
- A folding changing mat
- Baby clothes plus spare T-shirt for yourself in your hand luggage – there's nothing worse than spending half a night covered in a small person's mess!
- First-aid kit including Calpol sachets, amica cream, teatree oil (a fantastic all-purpose antiseptic)
- Dioralyte re-hydration sachets
- Small unbreakable toys
- Pads and pencils
- Baby monitor
- Booster seat
- UV sun-protection suits
- Rubber shoes for pebbly beaches
- Universal bath plug
- Favourite cuddly toy (pack this in your suitcase so it doesn't get lost in transit)

And of course, if you do leave anything behind, **BAA airports** offer a huge range of shopping at great prices. Check out www.baa.com/shopping before you check in.
